

Government of Karnataka
Department of Sericulture

2017-18

(i) Vision and Mission statement

Vision

Nurture sericulture as sustainable and profitable vocation for all stakeholders with emphasis on rural employment and production of internationally competitive raw silk.

Mission

1. To achieve 5% long term rate of growth in production by extending sericulture in new clusters for the benefit of rural poor.
2. To improve quality through mechanization and better technology.
3. To increase the productivity to a comparable international level.
4. To strengthen marketing institutions and marketing systems
5. To strengthen Research, Extension & Training programmes.

(ii) Details of business transacted (Functions)

1. To support and sustain increase in area covered under improved varieties of mulberry.
2. To Provide technical support and subsidy towards creating recommended microclimate for chawki and adult silkworm rearing and mounting.
3. To provide technology support and subsidy towards installation of machinery to produce high quality gradable silk.
4. To promote micro irrigation to conserve water and sustain more area under mulberry.
5. To promote farm and rearing mechanization to minimize labour usage and to reduce drudgery.
6. To augment Human Resource Management by Capacity building of stake holders.
7. To assist reliable credit availability to all the stake holders.
8. To Promote new races, production and sale of quality silkworm seeds through various Government agencies and private sector stake holders (RSPs)
9. To facilitate marketing of cocoons and raw silk.

10. To conduct concurrent monitoring and evaluation of schemes through external agency.

(iii) Details of Citizens or “Clients”

1. **Farmers (Sericulturists)** : Farmers who own land; have cultivated mulberry; have created facility to rear silk worms to result in cocoon production.
2. **Reelers** : Convert perishable commodity – the cocoons to stable commodity - the raw silk through mechanized processes and interventions, varying upon investment and quality of raw material used.
3. **Seed producers** : Persons who prepare silkworm seeds out of disease free raw material (seed cocoons) obtained from notified geographical areas of intense cultivation.
4. **Chawki Rearers** : Persons who have created facility to rear / tend to the just born silk worms upto 10 days.

(v) Grievances redressal mechanism

Commissioner for Sericulture Development and Director of Sericulture at State level, Divisional Joint Director at Divisional level, District Deputy Directors at various District level, concerned Assistant Directors at Taluk level will take necessary action in addressing to the grievances of stake holders and general public.

(vi) Expectations from the Citizens or Clients

Timely delivery of services *viz.*,

- i. Planting materials of required mulberry variety(ies)
- ii. Disease free layings (dfIs) of desired race combination(s)
- iii. Providing facilities / subsidies / incentives, etc as provided by schemes under implementation during current year, with least delay.

(vii) Additional commitments such as compensation in the event of failure of service delivery.

Utmost care has been exercised in extending services. Cases where time has been consumed is either out of fund release process or approvals at levels other than department.

(viii) Right to Information Act (RTI)

Encompasses data and details that add to the value of Citizens Charter. The Adhoc Task force (ATF) on Results Framework Document (RFD) while reviewing the mid-term progress for 2012-13 indicated about including the provisions of RTI, especially the section 4(1)b that enlists citizen empowerment under seventeen (xvii) sub-sections. The same has been listed with explicit details and also linked to the DOSK website document.
