

**Government of Karnataka
Department of Sericulture**

**RIGHT TO INFORMATION
ACT – 2005
(2012-13 Information)**

Bangalore

Date:

4(1)(b) (i) Details of Organization, Activities and Duties

Organization and Activities of Sericulture Department.

Organization:

Sericulture Department is playing a very important role in the development of sericulture activities in the State. Technical Officers of various cadres work at different levels under the leadership of Commissioner for Sericulture Development and Director of Sericulture. Technical Division, Administration Division carry out various activities of the Department under the guidance of CSD & DOS. Officers & staff of various cadres carry out extension work at the field level. Statement showing staff organization details of the department is given in next page. Department has 4475 sanctioned posts of various cadres against which 3470 staff are working.

Duties and activities of Sericulture Department:

The department is providing the following important services for the development of sericulture in the state.

1. Providing technical guidance and training in sericultural activities viz, mulberry cultivation, silkworm rearing and silk reeling etc.,
2. Multiplication and supply of high yielding mulberry varieties and silkworm races to sericulturists.
3. Maintenance of basic seed material and organizing supply of disease free layings to the sericulturists.
4. Providing extension, chawki rearing and disease control services.
5. Liaison with financial institutions to obtain loans for sericultural activities to sericulturists and reelers.
6. Facilitate marketing of cocoons and raw silk.
7. Create market facilities for cocoons and silk yarn to get reasonable price.
8. Motivate adoption of improved and proven technologies to bring down cost of production by increasing yield, production, productivity and quality of cocoons and silk.
9. Strengthening sericultural research and development in the State.

4(1)(b)(ii) Powers & Duties of Officers and Staff:

Powers and Duties of Officers and Staff		
I	(1)	Powers : Officers work as per the delegation of powers in Govt. Notification No.CI:267:SLS.79, Dt:01-06-1981, delegation of financial powers as per G.O.FD1:TFP 2001,Dt:02-02-2001 and G.O.No.CI47:Reform 94: Dt:17-10-2002 and Karnataka Transparency in Public Procurement Act 1999 and Rules 2000.
	(2)	Details of work of officers as per Karnataka Silkworm Seed, Cocoon, Silk Yarn(Production, Supply, Distribution, Sales Control) Act 1959 & Rules 1960 are as follows
II		Duties:
Commissioner & Director:		
All technical & administrative activities are carried under the directions of the Commissioner & Director who is the head of Sericulture Department. Commissioner is the Appointing Authority of 'C' and 'D' group staff of the Department and Appellate Authority under Karnataka Silkworm Seed, Cocoon, Silk Yarn(Production, Supply, Distribution, Sales Control) Act 1959 & Rules 1960. Commissioner will also work as Member/Chairman of Boards / Corporations related to Sericulture.		
Additional Director of Sericulture:		
Additional Director is a Technical Officer providing suggestions to the Commissioner on technical matters regarding Sericulture Development and guidance to technical officers and staff of the Department. Plays an important role in formulation and implementation of schemes for Sericulture development in the State.

Work as assistant to Commissioner in establishment and administrative matters. Review / Maintenance of service matters of Officers / staff, court cases, Dereliction of duties by Officers / staff, maintenance of enquiry records pertaining to misuse of finance, stationary / vehicles / telephones.		

Joint Director		
1	Divisional	Implementing programs related to sericulture in the districts under their jurisdiction, guidance to subordinate officers and staff, providing information regarding new technologies & subsidies / facilities, bringing to the notice of higher officers in cases beyond their limits, following reformative measures, Monitoring and Supervision of all the Institutes and offices of the division.
2	Seed Area	Estimation of annual demand for seed cocoons, taking measures for the production of disease free layings and distribution, providing assistance and facilities required for the seed rearers, taking measures for controlling diseases and payment of bonus.
3	Silk Exchange	Facilitating for proper transaction of silk yarn as per Karnataka silkworm seed, Cocoon, Silk yarn (Production, Supply, Distribution, Sales Control) Act & Rules 1960. Monitoring & supervision of subordinate offices.
4	Head Office	Formulation of programs for development and providing guidance for their implementation to the field officers Implementing Departmental schemes successfully through supervision, verification of various institutions under the directions of Additional Director and Commissioner for Sericulture Development & Director of Sericulture, preparation of methodology: information.

Deputy Director		
1	Seed Area	Preparation of annual action plan for seed cocoon production pertaining to seed area, taking action for transaction of seed cocoons, management of seed cocoon rates without much fluctuation, follow the instructions given by the higher officers, review and instruction of subordinate institutions, monitoring and supervision, rectifying the lacunae, bringing to the notice of higher officers for the cases beyond their control.

2	Zilla Panchayath	Preparation of District Action Plan and achieving the fixed targets through proper implementation, monitoring & supervision of subordinate offices, taking measures for disease control, bringing to the notice of higher officers for the cases beyond their control.
3	Grainages	Preparation of action plan for annual production of layings, procurement of quality seed cocoons, production of Disease Free Layings, Sales and Remittance of the layings cost to the Government. Disposal of pierced cocoons Action on low yield and write off proposals, work as monitoring, supervising, and Review officer of the State sector institutions.
4	Cocoon Market	Facilitating for proper transaction of cocoons as per Karnataka Silkworm Seed, Cocoon, Silk Yarn(Production, Supply, Distribution, Sales Control) Act 1959 & Rules 1960. Maintaining co-ordination between sericulturists and silk reelers. Smooth payment and remittance of collected market fee to the Government, Monitoring, Supervision & review of institutions related to Post cocoon activities.
5	Head Office	Responsibility and management of activities of concerned sections, preparation of monthly progress report and reporting the lacunae to the notice of higher officers, systematic management of files pertaining to their section.
6	Squad	Review of cases violating the Karnataka Silkworm Seed, Cocoon, Silk Yarn(Production, Supply, Distribution, Sales Control) Act 1959 & Rules 1960, Review of cases referred by superior officers, Supervision of institutions of the department
7	Training Institute	Preparation of annual action plan for training programs, Preparation of syllabus and facilities required for training, inviting sericulturists, silk reelers, departmental staff and officers for training as per the action plan, Arranging for lectures by experts and demonstration training on new technologies.

Assistant Director of Sericulture		
1	Division	Review, Monitoring and Supervision of institutions in their jurisdiction, Preparation of action plan for the achievement of fixed target implementation, renewal of licenses.
2	Offices	Collection of information as per the directions of superior officers and maintenance of files related to technical matters, preparation of progress and review reports, meeting proceedings, preparation and action taken, coordinating with subordinate officers & staff for the speedy disposal of files.
3	Grainages	Preparation of annual program for the production of layings, procurement of quality seed cocoons, production of Disease free layings and disposal, sale and remittance of cost of layings and pierced cocoons. Timely submission of proposals related to low yield and write-off to higher officers.
4	Cocoon Market & Silk Exchange	Facilitating for cocoon: silk transaction as per Karnataka Silkworm Seed, Cocoon, Silk Yarn (Production, Supply, Distribution, Sales Control) Act 1959 & Rules 1960. Remittance of the collected Market fee to the Government, Coordinating between sericulturists: reelers and reelers: traders.
5	Silk testing & processing centre	Testing of silk yarn, classification and certification. Remittance of income to govt.
6	Training Institute	Providing lectures on technologies developed by Research institutes and technologies adopted by progressive sericulturists, providing demonstration training and practical training on cocoon handicrafts preparation.
7	Post cocoon Activities	Providing guidance to silk reelers for quality silk production by adopting new technologies. Renewal of license to reelers and providing information and facilities for the upgradation of reeling units.

Sericulture Extension Officers		
1	Technical Service Centre / Extension Centre	Providing facilities / assistance to the sericulturists in their jurisdiction and providing information, Renewal of licenses, Propagation of new technologies, Successful implementation of various schemes of the department. Increasing mulberry area as per the target, Achieving the target under Bivoltine Program.
2	Silk Farms	Preparation of annual action plan for seed cocoon production, production : procurement of organic manure, Production of quality seeds by procurement of seeds and rearing and supply to the concerned grainage, providing demonstration training, providing seed cuttings. Distributing chawki worms to the beneficiary farmers after scientific chawki rearing up to 2 nd stage if the farm is selected for chawki rearing and remittance of income to the Government.
3	Grainages	Procurement of quality seed cocoons, preservation & pupa test, preparation of layings, mother moth examination, disposal of layings, preservation : disposal of pierced cocoons, remittance of income to the Government. Timely submission of proposals related to low yield & write – off to higher officers.
4	Silk Exchange / Cocoon Market	Cooperating for the proper transaction of cocoon : silk yarn as per Karnataka Silkworm Seed, Cocoon, Silk Yarn (Production, Supply, Distribution, Sales Control) Act 1959 & Rules 1960. Arranging for coordination between sericulturists :reelers and reelers : traders, remittance of market fee to the govt.
5	Reeling Technical Service Centre	Providing information to reelers about facilities : assistance provided by the department, providing information for quality silk production by adopting new technologies, up gradation of reeling sheds, providing incentives: subsidies available in the department.
6	Offices	Maintenance of files pertaining to technical matters, collection of information and compilation of statistics related to progress & work as assistant to head of the institution.

1	Subsidy to Mulberry plantation	Deputy Director of Sericulture(zp)	Deputy Director of Sericulture(zp)	Assistant Director of Sericulture (Division)
2	Subsidy to drip irrigation 1. Above 1 hectare 2. Up to 1 hectare	Divisional Joint Director Deputy Director of Sericulture (zp)	Deputy Director of Sericulture (zp) Deputy Director of Sericulture(zp)	Assistant Director (Division) Assistant Director (Division)
3	Subsidy to Drip irrigation for 2nd hectare			
	Above 1 hectare Up to 1 hectare	Divisional Joint Director Deputy Director of Sericulture (zp)	Deputy Director of Sericulture (zp) Deputy Director of Sericulture(zp)	Assistant Director (Division) Assistant Director (Division)
4	Subsidy for construction of rearing house			
	1000 sq. ft. & above 600 sq. ft. 375 sq. ft.	Divisional Joint Director of Sericulture Deputy Director of Sericulture (zp) Deputy Director of Sericulture (zp)	Deputy Director of Sericulture (zp) Deputy Director of Sericulture (zp) Deputy Director of Sericulture (zp)	Assistant Director of Sericulture (Division) Assistant Director of Sericulture (Division) Assistant Director of Sericulture (Division)
5	Subsidy for construction of 2nd rearing house			
	1000 sq. ft.& above 600 sq. ft./ 375 sq. ft.	Divisional Joint Director of Sericulture Deputy Director of Sericulture (zp)	Deputy Director of Sericulture (zp) Deputy Director of Sericulture(zp)	Assistant Director of Sericulture (Division) Assistant Director of Sericulture (Division)

Sl.No.	Name of the program	Sanctioning Authority	Counter signing Authority	Drawing Authority
6	Subsidy for construction of Mounting Hall 1000 sq. ft. & above	Deputy Director of Sericulture (zp) As per Circular dt 11-12-2008	Deputy Director of Sericulture (zp)	Assistant Director of Sericulture (Division)
	upto 600 sq. ft	Deputy Director of Sericulture (zp)	Deputy Director of Sericulture (zp)	Assistant Director of Sericulture (Division)
7	Subsidy to rearing equipments	Deputy Director of Sericulture (zp)	Deputy Director of Sericulture (zp)	Assistant Director of Sericulture (Division)
8	Subsidy for constructing vermi compost shed	Deputy Director of Sericulture (zp)	Deputy Director of Sericulture (zp)	Assistant Director of Sericulture (Division)
9	Construction of chawki rearing centre building	Deputy Director of Sericulture (zp)	Deputy Director of Sericulture (zp)	Assistant Director of Sericulture (Division)
10	Subsidy to chawki rearing equipments	Divisional Joint Director of Sericulture	Deputy Director of Sericulture (zp)	Assistant Director of Sericulture (Division)
11	Supply of quality disinfectants	Commissioner for Sericulture Development & Director of Sericulture	Commissioner for Sericulture Development & Director of Sericulture	Commissioner for Sericulture Development & Director of Sericulture
12	Post Cocoon Activities	<p>1. Up to Rs 50,000/- For New areas-Deputy Director of Sericulture (ZP) & for traditional areas concerned Deputy Director of Sericulture, Cocoon Market.</p> <p>2. From Rs 50,001/- to Rs 1,00,000/- Divisional Joint Director of Sericulture.</p> <p>3. For Proposals above Rs 1,00,000/- Commissioner for Sericulture Development & Director of Sericulture.</p>	Controlling Officer of Assistant Director of Sericulture, Post Cocoon activities.	Assistant Director of Sericulture, Post Cocoon Activities

Sl. No.	Name of the program	Sanctioning Authority	Counter signing Authority	Drawing Authority
13	Subsidy on interest for the pledge loan by reelers and industrial societies	Joint Registrar of Co-operative Societies (Sericulture) Directorate of Sericulture Bangalore	Chief Accounts Officer, Head Office, Bangalore	Chief Accounts Officer, Head Office, Bangalore
14	Incentive to Cocoons produced in new areas	Deputy Director of Sericulture(ZP)	Assistant Director of Sericulture	Market Officer, Govt. Cocoon Market
15	Women Development Programmes	1.Upto Rs 50,000/- For New areas- Deputy Director of Sericulture(ZP) & for traditional areas concerned Deputy Director of Sericulture, Cocoon Market. 2. Rs 50,001/- to Rs 1,00,000/- Divisional Joint Director of Sericulture. 3. Proposals above Rs 1,00,000/- Commissioner for Sericulture Development & Director of Sericulture.	Controlling Officer of concerned Assistant Director of Sericulture / Assistant Director of Sericulture(Post Cocoon activities)	Assistant Director of Sericulture/ Assistant Director of Sericulture (Post Cocoon Activities)
16	Assistance to Private silkworm seed producers	Commissioner for Sericulture Development & Director of Sericulture	Deputy Director of Sericulture	Assistant Director of Sericulture

Sl. No.	Name of the program	Sanctioning Authority	Counter signing Authority	Drawing Authority
17	Subsidy to mechanization in mulberry cultivation	Up to Rs 50,000/- Deputy Director of Sericulture ZP Rs 50,001/- to Rs 1,12,500/- Concerned Joint Director of Sericulture	Deputy Director of Sericulture	Assistant Director of Sericulture
18	Subsidy for trenching & mulching in mulberry garden			
19	Subsidy to farmers for raising Mulberry Nursery			
20	Rejuvenation of Bore wells			
21	Subsidy for installing Solar light in Rearing Houses			
22	Subsidy for constructing Low cost sheds for silk worm rearing			
23	Subsidy for purchase of Rotary mountages/ Bamboo mountages			
24	Subsidy for supply of organic manure for Soil fertility 10 Kg/Per Farmer/Acre/Year			

4(1)B(iv) Rules followed in the working of the Department :

The administrative functions of the Department are carried out according to Karnataka Civil Service Rules, Financial Duties according to Karnataka Financial Code, Purchase process according to Karnataka Transparency in Public Procurements Act and Rules & Notifications issued by the Government. Technical works of the Department are carried out according to the Karnataka Silkworm Seed, Cocoon, Silk Yarn (Production, Supply, Distributions, Sales control) Act 1959 and Rules 1960. In addition orders and circulars issued by the Government from time to time are followed.

4(1)B(v) Act and Rules followed in discharging the duties:

Rules, Orders and Notifications for discharging the duties by officers : staff of the institutions and records to be maintained.

Officers: Staff of Sericulture Department work as per Karnataka Silkworm Seed, Cocoon, Silk Yarn (Production, Supply, Distributions, Sales control) Act 1959, and Rules 1960.

Government orders No.CI267:SLS:79:Dt:01-06-1981, G.O.No. FD1:TFP:2001 Dt.02-02-2001 and G.O.No.CI:47:ರೇಕೃಪ:94 Dt.17-10-2002 and Karnataka Transparency in Public Procurements act 1999 and Rules 2000 are followed with respect to financial delegations.

4(1)B(vi) Records and documents maintained in various offices.

A. Grainages

1. Silkworm Layings Production Register
2. Silkworm Layings Distribution Register
3. Seed Cocoon Stock Register
4. Pierced Cocoon Stock Register
5. Egg Sheet Stock Register.

B. Government Silk Farms

1. Garden Maintenance Register.
2. Garden Register (Plot wise)
3. Silkworm Rearing Register.

C. Technical Service Centers

1. Kuluvar Register.

D. Cocoon Markets : Silk Exchanges

1. Daily Transaction Register.
2. Bidding Slips stock Register.
3. Seed Cocoon Certificate Register.
4. Stock Register.

Different Registers are maintained according to KCSR & KFC in all Department Officers.

4(1)B(vii) Details of opportunities for suggesting and participation of public in formulation and implementation of programmes of the Department :

Zilla Panchyath programmes are implemented after discussion & approval in the Zilla Panchyath meetings. Beneficiaries are selected in Gram Panchyath meetings for beneficiary oriented programmes. Subsidies are distributed to beneficiaries in the presence of public representatives in meetings / functions.

Sericulturists and silk reelers nominated for Cocoon Market Committee are providing suggestions and guidance for smooth functioning of the cocoon markets. In the same way, reelers, twistors and traders nominated for Silk Exchange committees provide suggestions and guidance.

4(1)B(viii) List of Authority and Committees having more than two members and information on availability of these committee proceedings to public :

Market Committee:

Market Committee is formed according to Karnataka Silkworm Seed, Cocoon, Silk Yarn (Production, Supply, Distributions, Sales control) Act 1959 article 10(B). Members are nominated by the Government to this committee. Committee has two sericulturists and three silk reelers as members and Market Officer as Chairman. Committee period is three years. This committee may be cancelled by the Government Notification, if it fails to function properly.

Duties of Market Officers are as follows:-

1. Facilitating for the daily transaction of cocoons for the cocoons arrived in the market.
Fixing the time of auction in consultation with the sericulturists.
2. Facilitating smooth and fair transaction of cocoons and timely payment to sericulturists.
Weighment of all cocoons coming to market and transaction through open auction.
3. Providing opportunity for sericulturists for the storage of cocoons which are not auctioned and taking care.

4(1)(B)(xii) Facilities Provided by the Sericulture Department to Sericulturists & Reelers

I Centrally Sponsored Catalytic Development Programme

To Produce good quality bivoltine silk and to extend the new technologies developed by research centres to the field, Catalytic Development Programme is implemented in Co-ordination with Central Silk Board.

1. Subsidy to Drip Irrigation

Under Catalytic Development programme, unit cost fixed for installation of Drip irrigation in one Hectare Mulberry area is Rs 50,000/- of which 75% i.e, Rs 37,500/- is subsidy portion. Central Silk board bears Rs 25,000/- & department Rs 12,500/-, remaining Rs 12,500/- is borne by the beneficiary. 90% of the Unit cost i.e., Rs 45,000/- is given as subsidy for SC/ST beneficiaries.

2. Incentive to new mulberry variety Development

Farmers having Irrigation facilities/having mulberry garden are identified. They are encouraged to take up New Mulberry Plantation/extend their Mulberry Area/replace the existing Mulberry variety with high yielding Mulberry varieties. Such farmers can avail subsidy of 75% of the unit cost. For a maximum of 1 acre planting, the unit cost is Rs.9,000/- per acre. The subsidy is Rs 6,750/-. For SC/ST beneficiaries the unit cost is Rs 10,200/- & subsidy is Rs 7,500/- for 1 acre Mulberry plantation.

3. Subsidy for Constructing Rearing house

Rearing silkworms in hygienic conditions results in good yield which ultimately helps the Sericulturists for construction of separate rearing house. To encourage the Sericulturists to construct separate silkworm rearing house, subsidies are provided.

Sl No.	Unit Cost	Area of rearing house	Subsidy		
			CSB	State	Total
1	2.00 Lakhs	1000 Sq.ft	Rs.50000	Rs.50000	Rs.100000
2	1.50 Lakhs	600 Sq.ft	Rs.37500	Rs.37500	Rs.75000
3	0.75 Lakhs	375 Sq.ft	Rs.18750	Rs.18750	Rs.37500

Details of Subsidy provided to SC/ST beneficiary (Rs Lakh)

Sl No.	Details	Unit Cost	Subsidy
1	1000 Sq.ft(RCC roof)	2.46	1.23
2	1000 Sq.ft(Tiled roof)	1.80	0.90
3	600 Sq.ft	1.50	0.75
4	375 Sq.ft	0.75	0.375

4. Providing subsidy for construction of chawki rearing centres & chawki rearing equipments

To encourage rearing of high yielding races, chawki worms reared in Chawki Rearing Centres(CRC's) are distributed to the rearers. For construction of Chawki Rearing Centre building, to maintain chawki plot/garden and to purchase chawki rearing equipments an amount of Rs 5.00 Lakh is earmarked as unit cost out of which Rs 2.50 Lakh is provided as subsidy. For SC/ST beneficiaries the unit cost is Rs 5.00 lakhs and subsidy is Rs 3.00 lakhs.

5. Providing subsidy to Silkworm rearing equipments

Subsidy is provided to eligible Sericulturists to purchase humidifier, generator, room heater, shoot rearing stand, plastic trays, plastic mountages, Rotary mountages, sprayers, gas mask, Flame-gun & other approved equipments. Unit cost of Rs 50,000/- is earmarked of which Rs 37,500/- (75%) is given as subsidy. For SC/ST beneficiaries 90% of the unit cost i.e, Rs 45,000/- is provided as subsidy.

6. Supply of disinfectants to BV Sericulturists

Disinfectants worth Rs 3,000/- are supplied annually at 50% subsidy to the Bivoltine rearers to control diseases in Bivoltine crops.

7. Multiend Reeling Units

To produce quality raw silk using multiend reeling machines, subsidy of 75% is provided to establish multiend reeling units to the eligible reelers.

Unit cost Details are given below:

Sl No.	No.of multiend reeling unit basins	Unit Cost Rs in Lakhs	Subsidy(%)		
			CSB	State	Total
1	10	10.00	50	25	75
2	20	17.00	50	25	75

8. Incentive to Bv Silk

Incentive of Rs 100/kg is given to reelers who produce Silk from multiend reeling units in state. In addition to these the following subsidies are also provided to the reelers.

Sl No.	Programme	Unit Cost (Lakh)	Subsidy
1)	Dissuadiation of Child Labour Motorised Charaka	0.20	75% (Rs 15,000/-)
2)	ARM(Automatic Reeling Machine)	100.00	75% (Rs 75 Lakhs)
3)	Cottage basin	2.50	1.875 Lakhs
4)	Installation of Dupion unit	50.00	37.50 Lakhs
5)	Quality linked price support system	120.00	120.00 Lakhs

9. Providing testing facilities for private grainages

There is a provision for supply of testing equipments to private seed producers. Unit cost is Rs 1.50 lakh & subsidy is Rs 1.20 Lakhs out of which Rs 0.90 Lakh is the share of Central Silk Board in the Subsidy Component & State's share is Rs 0.30 Lakh.

10. Providing testing facilities in Govt Grainages

An amount of Rs 1.50 Lakh unit cost is earmarked to purchase testing equipments to Govt grainages. Central Silk Board's share is 60% & State's share is 40%.

11. Health Insurance Scheme

Health Insurance Scheme is implemented for improving health of women employees who work in reeling units & grainages & their families i.e., husband & their two children. There is provision for Annual Hospital Expenditure upto Rs 15,000/-. Rs 781.60 unit cost per beneficiary per year is earmarked under this programme.

Out of this CSB's share Rs 642.47, State's share Rs 83.47

Beneficiaries share Rs 55.66

Total Rs 781.60

12. Beneficiary Empowerment Programme:-

Training is given for 5 days in Sericulture Training Institute for Sericulturists/reelers. Stipend of Rs 5,000/- is earmarked per beneficiary. Central Silk Board bears complete expenditure.

13. Construction of Creches /Toilets/Rest Rooms for women in Govt Cocoon Markets

Creches /Toilets/Rest Rooms are constructed in Govt cocoon Markets for the women coming to transact their cocoons. Unit cost is Rs 2.50 Lakh of which Central Silk Board's share is 75% & State's share is 25%.

Sericulture Development Activities

1. Incentive for Raw silk produced in Filature, multiend/ cottage basins and charaka in New areas:

Incentive for Raw silk produced in Filature, multiend/ cottage basins and charaka in New areas is as follows:

Male reelers: Rs 75-00 per kg silk produced.

Female reelers: Rs 100-00 per kg silk produced.

New areas:

1. Mandya District: All Talukas except Maddur and Malavalli.

2. Mysore District: Hunsur, Piriapatana, HD Kote and KR Nagar Taluks.

3. Tumkur, Shimoga, Hassan, Chikmagalur, Chitradurga, Kodagu, Mangalore, Udupi, Uttara Kannada, Bellary, Raichur, Dharwad, Bijapur, Belgaum, Gulburga, Bidar, Yadgir, Davanagere, Koppal, Bagalkote, Gadag and Haveri Districts.

2. Incentive for Cross-Breed Multi-end Raw silk.

Cross-breed raw silk produced in multiend reeling machines in traditional areas get incentive as follows:

Male reelers: Rs 60-00 per kg multiend silk produced

Female reelers: Rs 75-00 per kg multiend silk produced

After installation of multiend reeling machines **upto five years** this incentive is provided.

3. Establishment of Cottage/ Filature Basins Reeling Machines:

To produce quality raw silk, Cottage/Filature reeling machines are very helpful. In order to establish Cottage/Filature reeling machines, the Department of Sericulture provides subsidy as follows:

- a. 6 Basins unit (with Re-reeling): Cost= Rs 3,00,000/-
Subsidy (60%) = Rs 1,80,000/-
- b. 6 Basins unit (Italian model): Cost= Rs 1,50,000/-
Filature reeling machine Subsidy (60%) = Rs 90,000/-

4. Installation of Economic Oven

To reduce the fuel consumption, and to control the pollution, installation of economic/fuel efficient ovens is essential. Department of Sericulture provides subsidy as follows for installation of Economic Oven:

- a. **Charaka Oven:** Unit cost: Rs.3,350=00, Subsidy 50%
- b. **Cottage/ Filature Oven (Shidlaghatta model):** Unit cost: Rs.4,650=00, Subsidy 50%
- c. Cottage/Filature Oven (Ramanagar model): Unit cost: Rs.14,500=00, Subsidy 50%

5. Solar appliances:

Use of solar water heaters saves fuel and provides pollution free atmosphere in reeling units. It reduces the cost of production. To establish solar unit appliances the Department provides subsidy as follows:

- a. 1000 Ltr heating capacity in 8 hrs: Unit cost: Rs. 1,50,000=00
 - b. 500 Ltr heating capacity in 8 hrs: Unit cost: Rs. 75,000=00
 - c. 200 Ltr heating capacity in 8 hrs: Unit cost: Rs. 50,000=00
- Subsidy: 50%.

6. Establishment of Water Softening Unit & Maintenance cost:

(a) Establishment of water Softening unit

Reeling water plays major role in determining the quality of raw silk. If water available is not suited for reeling process, water softener is essential.

Demineralizer Unit (1000 ltr /3 hrs capacity): Unit cost Rs. 40,000=00

Subsidy = 50%.

7. Subsidy for Installation of Generator

In Rural areas, Power Shedding disrupts continuous reeling activity. To overcome this problem installation of generators is advised. Unit cost for 5 KVA Rs 65,000=00. Subsidy= 50%.

8. Installation of Boiler:

Boilers are essential for Cottage/ Filature basin reeling machines.

- a. 100 kg steam/hr capacity boiler : Rs. 1,35,000=00 unit cost
Subsidy= 50%.
- b. 50 kg steam/hr capacity boiler : Rs. 90,000=00 unit cost
Subsidy= 50%.

9. Subsidy to Install Heat recovery Unit:

Unit Cost = Rs 25,000=00, Subsidy= 50%.

10. Pressurized circular cooking machine:

Unit Cost = Rs 98,500=00, Subsidy= 50%.

11. Solar Lights for Reeling Sheds:

Unit Cost: Rs 20,000=00, Subsidy: Rs 10,000=00.

12. Subsidy to Purchase Reeling Appliances:

Unit Cost : Rs 60,000=00, Subsidy: Rs 45,000=00.

13. Construction of Reelings sheds

To protect reeling appliances of cottage / filature basins, Department of Sericulture provides subsidy for construction of reeling sheds.

- a. 10 basin multiend reeling shed (1500sq ft) Unit cost: Rs. 2,50,000=00
Subsidy: Rs 75,000=00
- b. 6 basin multiend reeling shed (1200 sq ft) Unit cost: Rs. 2,00,000=00
Subsidy: Rs 50,000=00
- c. Cottage basin reeling shed (600 sq ft) Unit cost: Rs. 1,00,000=00
Subsidy: Rs 25,000=00

14. Subsidy for interest on loan taken for reeling activities:

Reelers who have availed loan for reeling activities during 1-4-1991 to 1-3-1994 and repaid the principal before 31-3-2001 are eligible to get 100% subsidy on interest.

15. Financial assistance for availing training for staff/Officers of co-operative societies.

Financial assistance is provided for staff/Officers of department to obtain training in the field of co-operative sector.

16. Incentive for cocoons grown in new areas:

To encourage farmers of new areas (Bidar, Gulburga, Koppal, Raichur, Bagalkote, Belgaum, Bijapur, Dharwad, Yadgir, Gadag, Haveri, Uttara Kannada and Bellary Districts) incentives are provided for the cocoons transacted in the new areas markets.

Male sericulturists: Rs 10=00 per kg of cocoons

Women sericulturists: Rs 20=00 per kg of cocoons

17. Subsidy on Interest of loan taken by Women sericulturists:

50% subsidy will be given on the interest of the loan availed by the women sericulturists. Unit cost is as prescribed by NABARD.

18. Subsidy on pierced cocoons purchased by women.

The pierced cocoons are utilized for handicraft purpose or for preparation of spun silk on Medleri charaka, If women procures pierced cocoons from Government Grainages, she will be provided pierced cocoons at 75% subsidized rate.

19. Medleri charaka.

Spun silk can be produced using Medleri charaka, If a rural women/ women societies purchase Medleri charaka, subsidy will be given as follows:

Unit Cost: Rs. 3500=00

Subsidy for SC/ST women : 60%

Subsidy for other women: 50%

20. Training for Women:Members of Women Co-op societies and Women quality clubs

Training cost will be borne by the Department of Sericulture, to impart training for women members of Women Co-operative societies, and Women quality clubs involved in sericulture. The training for 3-5 days duration is in Society formation, Society management, maintenance of accounts & other related subjects. In a year 5 women per district will be trained.

21. Study Tour for women:

To gain the knowledge and expertise on the preparation of matka silk, and handicrafts from matka silk, and to make value addition in sericulture, study tour will be conducted for women enterprenuers to West Bengal and other States. for overall development of women, popularising the usage of pierced cocoons & other income generating activities.

22. Subsidy on interest on loan obtained for reeling units:

The simple interest on the loan obtained by the reelers from commercial banks will be reimbursed on indent basis.

New Industrial Policy-“Reshme Varadana Yojane”

In 2012-13 the following programmes were implemented under Reshme Varadana yojane.

1. Subsidy to 2nd Hectare Mulberry Plantation.
2. Subsidy to 2nd Hectare Drip Irrigation.
3. Subsidy for Constructing 2nd Rearing House.
4. Subsidy to construct Mounting Hall.
5. Subsidy for purchasing equipments for taking up Sericulture.
6. Incentive/Subsidy for promotion of Sericulture in large scale.
7. Subsidy to Reelers for purchase of equipments.

1. Subsidy to Sericulturists who take up Mulberry Cultivation

Under this scheme the beneficiary who has availed Subsidy for 1st hectare Mulberry Cultivation can avail the benefits for 2nd & subsequent additional Hectare Cultivation.

2. Subsidy to Purchase equipments required for taking up Sericulture

Under this Programme the beneficiary should have availed the Subsidy for Mulberry Cultivation for Developing mulberry in 1st Hectare.

- (1) Extend the area under mulberry during 2012-13 for 2nd Hectare.
- (2) Exclude the equipments purchased by Sericulturists by availing Subsidy under CDP for rearing equipments, the other equipments can be purchased.
- (3) This is as per the Unit Cost & Subsidy available under CDP Scheme.

3. Incentive to Sericulturists who want to take up Sericulture in large scale

It is necessary to encourage Sericulture in large scale to improve Production, Productivity & Quality by adopting new technologies. Therefore it is necessary to identify & encourage the farmers/Sericulturists who take up mulberry plantation in more than 10 acres. In this regard it is aimed to pay incentive/subsidy upto Cocoon Production. The details of incentives/subsidies are listed below:

Sl No.	Programme	CDP	Reshme Vardhana	RKVY	Cluster	Total
1	Mulberry Plantation (Acre)	2.5	2.5	-	5.00	10.00
2	Rearing House (No)	1	1	-	2	4
3	Drip Irrigation (H)	1	1	-	2	4
4	Equipments (No)	1	1	-	6	8
5	CRC (No)	1	-	-	-	1
6	Mechanisation	-	-	1	-	1

Plans to be used for Sanctioning of Subsidy.

1. This Programme is restricted to North Karnataka area coming under identified Cluster. Priority is given for SC/ST Women.
2. Adopt the Scheme guidelines as and when revised.
3. 2-4 beneficiaries per Cluster can be identified.

I. Zilla Panchayath Schemes:

Sericulture Farms: 2851-00-107-0-38

1. Providing organic manure, necessary fertilizers etc for maintaining 1 hectare mulberry garden of sericulture farms coming under Zilla panchayath. To Produce Bivoltine seed cocoons by using disinfectants, improved irrigation facilities.
2. In case of farms where bivoltine seed cocoons cannot be grown, chawki rearing & distribution of chawki worms to sericulturists can be undertaken by taking permission from Commissioner for Sericulture Development and Director of Sericulture. Mulberry Saplings can be grown based on the availability of water sources in silk farms.

Technical Advisory Services, Demonstrations, publicity, Audio-visual and Women Demonstration Farms: 2851-00-107-0-35

1. **Field days**: Field days are conducted to provide publicity for growing high yielding varieties of silkworms & share the experiences of Sericulturists who are getting high income with other farmers & encouraging farmers to take up sericulture. Sericulture Deputy Director should compulsorily participate in the field days, The budget of Rs 2,000/- earmarked for conducting field days. Large number of women, reelers & Sericulturists should participate in the field days.
2. **Sericulture Exhibition**: Conducting exhibitions in Fair, Melas, Nada Habbas, to develop sericulture, & to demonstrate Sericulture & related activities in areas where large number of people gather, make propaganda on Sericulture & related activities.

Amount should be earmarked pertaining to this for rent for space, pamphlets, Hand book distribution. At taluka level, to conduct workshops / seminars an amount of Rs 7,500/- should be earmarked. At district level for conducting seminars an amount of Rs 25,000/- is earmarked. To conduct district level exhibition an amount of Rs 10,000/- is earmarked.

- a) Budget allocation of Rs 1,50,000/- is earmarked to exhibit departmental items in Mysore Dasara exhibition.
- b) An amount of Rs 1,00,000/- for Tumkur Siddaganga jatra.
- c) An amount of Rs 30,000/- for SiddaraBetta/Madhugiri jatra.

Allocation for controlling diseases to Sericulturists based on area under mulberry & rearing houses. An amount of Rs 25,000/- is earmarked for timely distributing & Printing of pamphlets and handbook on new technologies, to the Sericulturists.

It is necessary to provide awareness on technologies to Sericulturists & reelers. Technical awareness can be increased by demonstrating boards in all institutions at field level particularly in the Technical Service Centres where sericulturists/ Reelers visit. An amount of Rs 25,000/- could be earmarked for inclusion of demonstration pictures in Technical Service Centres.

Financial limit for repair & maintenance of existing equipments in case of necessity is Rs 10,000/- per Technical Service Center. It is planned to conduct one workshop in a year in each District and to conduct study tour to farmers for creating awareness about Sericulture activities.

3. Women Demonstration Farms:

In selected Govt Silk Farms of 18 districts of the State, separate demonstration farms with dormitories are established to facilitate women Sericulturists. Under this, budget is earmarked to maintain of 1 acre mulberry plantation, rearing and maintenance of dormitory. It is reiterated to follow the the guidelines of the Directorate's Circular No:ರೇನಿ:ತಾಮಗೆ/ತಾಂ 3/44/10-11 dt 25-1-2011.

4. E Governance:

Take necessary action to implement e-Governance at District & Taluk level in the Department. In many major circumstances, it is required to document with photo & video in the important events at the field & preserve. Earmark budget needed for e-Governance training.

5. Incentive to BV Cocoons:2851-00-107-0-36

Earmark funds necessary to pay Sericulturists for the incentive to Bivoltine cocoons produced by them at the rate of Rs 40/kg. Take action to pay Incentive only after ascertaining that BV layings are proccured from Govt Grainages and BV Cocoons should be transacted in Govt Cocoon markets.

6. Incentive to Sericulturists 2851-00-107-0-30

The Disease Control Programme is implemented until now. Instead of this, hereafter funds should be earmarked as “Incentive to Cocoons” Programme.

1. Incentives are paid to Cocoons produced in the Concerned Districts.
2. Select eligible Sericulturists to pay incentives based on availability of funds, previous years average yield of cocoons & other conditions.
3. Pay incentive at the rate of max Rs 10/- per kg of CB Cocoon & Rs 40/- per kg of BV Cocoons produced by the Sericulturists.
4. Disease free layings should be procured from State/Central Govt grainages. Certification from concerned grainage officer is necessary.
5. Cocoons produced should be transacted in the Govt Cocoon market. Certification from concerned Govt Cocoon market officer is necessary.
6. Proposals for payment of incentives should be submitted within 30 days after transaction of Cocoons.
7. To get the incentive it is necessary to get the recommendation from concerned field level SEO for having grown & sold the cocoons.

II Taluka Panchayat Programme:

Production/Productivity based incentive 2851-00-104-0-61

The following programmes are implemented under this Head of Account.

Award at taluka level: Based on production of Cocoons in previous year, average yield of Cocoons & other criteria, eligible Sericulturists are selected & felicitated by giving award at taluka level.

Ist prize Rs 5000/-

IInd prize Rs 3000/-

IIIrd prize Rs 2000/-

Special Component Plan/Tribal Sub Plan Development Centres:

To maintain & distribute chawki worms upto 2nd stage in the existing Community Development Centres. Schemes covers for the expenditure on fertilizers, disinfectants, for maintenance of garden, building repair etc.

Supply of rearing equipments:

Supply rearing equipments worth Rs 7500/- per beneficiary for successful silkworm rearing to schedule caste sericulturists who take up new plantation.

Maintainance of Tribal Colonies:

To encourage tribal groups who intend to take up mulberry cultivation, in the land available near their Colonies, to take up mulberry plantation, rearing & cocoon production. In addition take action to grow tree mulberry. Make provision for funds required for providing irrigation facility, rearing house & equipments, conducting supervision by the department.

Programme of package benefits:

Earmark funds for SC/ST farmers intending to take up sericulture & the SC/ST beneficiaries who have already taken up sericulture under this programme, to supply mulberry saplings, fertilizers, organic manure, rearing equipments worth Rs 7500/-.

III Zilla Panchayat non plan program:

Earmark funds for expenditure in all districts under Head of Account 2851-00-107-1-26 (Non Plan) & 2851-00-107-1-28 (Non Plan) of the concerned district staff & institution maintenance.

The funds provided under these heads excluding the salary component, may be earmarked for various programmes & their implementation depending on the necessity of the district concerned after getting approval from the Directorate.

GOVERNMENT OF KARNATAKA
DEPARTMENT OF SERICULTURE

GUIDELINES OF
RASTRIYA KRISHI VIKAS YOJANA
FOR THE YEAR 2013-14

COMMISSSEIONER FOR SERICULTURE DEVELOPMENT AND
DIRECTOR OR SERICULTURE
DIRECTORATE OF SERICULTURE
BANGALORE

PROGRAMME -1

SUBSIDY FOR RAISING MULBERRY NURSERY:

As there is a great demand from sericulturists for New mulberry varieties such as V₁ /S series, Farmers can raise the saplings either on raised bed or in leveled field. Planting saplings of 4 months old nursery plants results in uniform development of garden with less fail pits. Leaves can be harvested for silk worm rearing within six months of plantation. Raising Nursery is profitable venture. In order to encourage the farmers, subsidy will be provided .Rs.1.50 lakhs will be incurred to raise saplings in 1 acre and 50 % subsidy i.e.Rs.75000/- will be provided. On an average 1.00 lakh saplings should be raised in 1 acre area.

GUIDELINES TO BE FOLLOWED FOR PROVIDING SUBSIDY TO SERICULTURIST FOR RAISING MULBERRY NURSERY:

1. Farmers who have own land with irrigation facilities with high yielding improved Mulberry varieties like V₁ /S series.
2. Each beneficiary should raise nursery to an extent of minimum 20 guntas, maximum 1 hectare.
3. Farmers who have raised the nursery should give the application as per the format to the Technical Service Center of their jurisdiction.
4. Sericulture Demonstrator / Department officer should certify the mulberry nursery.
5. Department officer should do Mahazar of mulberry nursery in prescribed pro-forma.
6. Department officer should recommend for release of subsidy in prescribed format.
7. Subsidy will be issued on priority either through ECS / Cheque. If there is a loan in any Bank / cooperative society, subsidy will be remitted to the Banks concerned.
8. To certify the Nursery, photograph of the Nursery along with beneficiary, Range officer, SEO / ADS should be enclosed . Details of programme with complete Address of the beneficiary should be written at the bottom of photograph and submitted.

PROGRAMME – 2SUBSIDY FOR MECHANISATION IN MULBERRY CULTIVATION:

Mulberry leaf yield depends upon the mulberry variety, agricultural practices, resistance to disease and pest. The area under mulberry has increased with V₁ and S₃₆ varieties. By providing various inputs to agriculture using mechanical aids and new technologies, production has increased both qualitatively and quantitatively at reduced cost of production. The department is providing subsidy for purchase of machineries like tractor / mini tractor, power tillers, mulberry pruning machine, weed cutter, cutting preparation machine, shoot cutting machine, mulberry garden sprayer, mulberry shoot harvester etc. which are purchased from the approved firms as per guidelines. Unit cost is Rs.1.50 lakhs and 50% subsidy i.e. Rs.75000/- will be provided as subsidy. If the unit price is less than Rs.1.50 lakhs then proportionately subsidy amount will be limited to 50%.

Guidelines:

1. Farmers should have own land, improved variety of mulberry garden with irrigation facility.
2. To get subsidy for power tiller / mini tractor, farmer should have minimum of 2 ½ acre mulberry garden.
3. To get subsidy for tractor, farmer should have minimum of 4 acre mulberry garden.
4. Farmers having minimum of 1 acre mulberry garden can get subsidy for mulberry pruning machine etc.
5. Farmer who have purchased the machineries should submit an application as per the format to the Technical Service center of their jurisdiction.
6. Sericulture Demonstrator / Department officer should certify the beneficiary for having mulberry garden and the machinery purchased is in good condition.
7. All machineries should be purchased from the reputed firms, approved by the department where all necessary accessories will be available.
8. An affidavit on Rs. 10/-stamp paper should be taken from beneficiary stating that he will continue sericulture for at least 5 years.

9. Department officer should do Mahazar in prescribed format and certify that the machinery is working in good condition.
10. Department officer should recommend for release of subsidy in prescribed Format.
11. If beneficiary has paid full amount for purchase of machinery, action to be taken to issue 50% subsidy to the beneficiary account through ECS / Cheque.

PROGRAMME – 3

SUBSIDY FOR ROTARY CHANDRIKE MOUNTAGES / BAMBOO

MOUNTAGES :

To facilitate the ripened silk worms to spin cocoons of good quality, Rotary / Bamboo mountages are required.

(a) Bivoltine rearers are eligible to purchase Rotary mountages .

(b) Mysore seed area rearers are eligible to purchase Bamboo mountages.

Guidelines :

1. Farmers having own land, irrigation facility and with improved variety mulberry garden are eligible.
2. To get subsidy for Rotary / Bamboo mountages beneficiary should have at least ½ acre mulberry garden.
3. Each beneficiary is eligible to get Rotary / Bamboo mountages for mounting ripened worms of maximum 250 disease free layings.
4. Mysore seed area sericulturist should have minimum 0.10 acre mulberry garden. As per prorata mountages will be supplied.
5. To purchase Rotary / Bamboo mountages, beneficiary should submit application form in prescribed format to the Technical Service center of their jurisdiction.
6. Sericulture Demonstrator / Department officer should certify the beneficiaries mulberry garden / Rotary mountages / Bamboo mountages supplied are in good condition.
7. Rotary / Bamboo mountages should be purchased from the department approved firm.
8. Sericulturist has to give affidavit on Rs. 10/- stamp paper stating that he will continue sericulture for minimum 5 years.
9. Department officer should do Mahazar in prescribed format certifying that the Rotary / Bamboo mountages are in good condition and is utilizing for the purpose purchased.
10. Department officer should recommend for release of subsidy on prescribed format.
11. If beneficiary has paid full amount for purchase of Rotary moutange / Bamboo moutange, then subsidy of 50% of the unit cost will be remitted to beneficiary account through ECS / Cheque. Application, affidavit, Mahazar, recommendation, checklist should be enclosed in prescribed formats same as in mechanization of mulberry cultivation.

Details of Unit cost :

Sl. No.	Details	Bamboo Mountage	Rotary Mountage
1	Mountages required for 100 Disease free layings	40 (Numbers)	40 (Numbers)
2	Mountages required for 1 acre mulberry (250 disease free layings)	100 (Numbers)	100 (Numbers)
3	Cost of Single mountage	Rs.450/-	Rs.660/-
4	Unit cost	Rs.45,000/-	Rs.66,000/-
5	Subsidy (50%)	Rs. 22,500/-	Rs. 33,500/-

PROGRAMME – 4SUBSIDY FOR TRENCHING & MULCHING IN MULBERRY GARDEN :

It is necessary to increase the leaf yield from the existing area under mulberry so that number of disease free layings brushed can be increased. Trenching and Mulching increases the quality and quantity of leaf yield and also soil fertility is maintained. Reduced dose of chemical fertilizers will increase the microbial growth to maintain soil health.

Once in six months trenching of 2.5 feet width and 1.5 feet depth is made in alternate rows of the mulberry garden. Trench is filled with green manure and rearing residue, Above that FYM @ 200 kg. per gunta should be incorporated, Red earth and silt should be incorporated. Afterwards, trench should be closed with red earth . This increases the microbial activity and acts as bio - fertilizer and results in good quality leaf. Unit cost for one acre of trenching & munching is Rs.30,000/-, 50% subsidy is provided i.e. Rs.15,000/-.

Guidelines :

1. Beneficiary should be from bivoltine hybrid, bivoltine seed, Mysore seed area, with own mulberry garden and Irrigation facility. Subsidy will be given to a maximum of 1 hectare per year per beneficiary.
2. Beneficiary should give application in prescribed format to the Technical Service Center of their jurisdiction for subsidy.
3. Sericulture Demonstrator / Department officer should certify the trenching & mulching activities undertaken by the beneficiary and recommend for subsidy.
4. Mahazar should be conducted by the officer in prescribed format.
5. Beneficiary has to give affidavit on Rs.10/- stamp paper stating that he will continue sericulture activities for another five years.
6. Photograph should be taken before, after and at the time of trenching & mulching and same should be certified.
7. Subsidy will be issued through ECS / Cheque. If any loan in Bank / Society same will be deposited to the beneficiary's account.

PROGRAMME – 5ENHANCEMENT OF SOIL HEALTH – SUBSIDY FOR SUPPLY OF BIO-FERTILIZER :

After realizing the deleterious effects of continuous application of chemical fertilizers and also to reduce the cost on chemical fertilizers it is necessary to use Bio fertilizers such as Nitrogen fixing (PRAKRUTHI) / Phosphorous absorber (SERIPHOS), Bio - fertilizers of 10 kg. per acre per year should be applied in two split doses. Bio - fertilizers should be mixed with farm yard manure and incorporated in between the rows and should be covered with soil followed with irrigation. Bio- fertilizers should be applied 15 days before or after the application of chemical fertilizer. Garden should be irrigated immediately after application of Bio fertilizers, so that mortality of micro organisms will be avoided. By using Bio fertilizers, quantity of chemical fertilizers can be reduced.

Sericulturists of Mysore seed area, Bivoltine seed area and Bivoltine hybrid rearers are eligible to get 10 kg. of Bio- fertilizers per year per acre at an unit cost of Rs. 750/- which will be supplied at free of cost.

Guidelines :

1. Beneficiary should have own land, improved mulberry variety garden with Irrigation facility.
2. Beneficiary who apply Bio- fertilizers to mulberry garden should give an application in prescribed form to the Technical Service Center of their jurisdiction.
3. Sericulture Demonstrator / Department officer should certify and recommend for subsidy.
4. Mahazar should be conducted by the officer.
5. Bio fertilizers should be given to the beneficiary at free of cost.
6. Each beneficiary can be provided with Bio fertilizers for maximum of 1 hectare.
7. Beneficiary should have RTC with mulberry.
8. Deputy Director (zilla panchayat) should take an indent from the beneficiary and bio fertilizers should be supplied as per department norms.

4(1)(B)(xiii) Particulars of Recipients of Concessions, Permits or Authorizations granted by it- not applicable.

4(1)(B)(xiv) Details in respect of the Information, available to or held by it, reduced in an Electronic Form

Dept Website: www.karnataka.gov.in/sericulture

Email – karseri@yahoo.com

1. Annual Performance Report of the Department .
2. Monthwise Statistics on Progress.
3. Notifications Issued by the Department.
4. Technical Information for Sericulturists/Reelers.

Computer Kiosks are installed in Head office and Ramanagara cocoon Market in which the details regarding Mulberry cultivation, Silkworm Rearing, Action to be taken for Mulberry Diseases, Insects and Disease Control, Silkworm Diseases, Insects and their Control, Details of Important Institutions of Department. Rates of Cocoon & Silk are also available both in Kannada & English. This facility is free of cost.

4(1)(B)(XV): Details of the facilities available to public to get the information, library or reading room, Working hours etc....

The Department has made facility to Sericulturists and silk reelers to get training with stipend at Training Institutes, The trainers can utilise the library facility available in the training Institutes during the training period. In addition to this, handouts/brochures are distributed to sericulturists and silk reelers. Technical information is communicated to sericulturists and silk reelers through Dooradarshan and All India Radio. Technical guidance is provided to sericulturists and silk reelers through seminars and workshops orgsnized at Taluk/District/State levels. Awareness regarding new technologies is imparted through workshops/ enlighten programmes organized by Research Institutes. Women sericulturists are provided with technical information through women demonstration plots and technical service centres. Details of Schemes and Subsidies available and technical information is also given through bimonthly magazine “Reshme Krushi” which is published by the Department. This magazine is sold to public at cocoon markets and Technical Service Centres.

Information regarding the Department can be obtained at district level from Deputy Director of Sericulture(Zilla panchayath), Administrative Officers and Joint Director of Sericulture at Directorate of Sericulture, Bangalore.
