Draft Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka (CoS) (Sixth Amendment) 2017

Preamble

The Conditions of Supply of Electricity of Distribution Licensees in the State of Karnataka (CoS) were notified in the Karnataka Gazette on 17th June, 2006, in exercise of the power conferred by Section 16 of the Electricity Act, 2003, (Central Act No 36 of 2003). Subsequently the said Conditions of Supply have been amended from time to time.

The Bangalore Electricity Supply Company Ltd (BESCOM), a distribution licensee, vide its Petition OP No. 98/2017 filed before the Commission has requested for amendment of Clause 7.03 of these Conditions providing for only HT/LT UG Cable instead of both HT/LT UG Cable and HT/LT AB Cable as existing, in respect of electrification works in industrial layouts of KIADB/KSSIDC/KEONICS/Others carried out by them under self-execution. The BESCOM has stated that the AB cables are frequently failing causing interruption in supply of power and rectification of faulty AB cables is also taking longer time.

Hence, the following draft of the amendments to the CoS is published inviting suggestions/objections/views from the general public and interested persons.
