2. Functionally synonymous with the meaning of the term as in rule 20 of the Karnataka Transparency in Public Procurement Rules 2000, two Tender Evaluation Committees were constituted. The first one, which was done vide reference 2 was to –

- (A) Evaluate Part I of the Technical Proposal in case of Non-empaneled Consultant Evaluation Organizations and in accepting the scores of the Empanelment Committee of KEA in case of KEA Empaneled Consultant Evaluation Organizations, and,
(B) Evaluate Part II A of the Technical Proposal.

The second Tender Evaluation Committee was formed vide reference 3 with the function of evaluating Part II B of the Technical Proposal and the Financial Proposal. *It is mentioned in the proceedings, and noted by me, that in case of Hyderabad Karnataka Centre for Advanced Learning, the presentation could not be made in power point mode as the pen drive which carried the presentation did not open and hence the presentation relied on the hardcopy of the ppt presentation, instead of the onscreen mode.* This Committee included Sri. J.V. Jagadeesh, Assistant Executive Engineer, of the D. Devaraj Urs Backward Classes Development Corporation Ltd, Bengaluru, along with two members of the Karnataka Evaluation Authority (KEA).

3. The aforecited two Committees have processed the tenders in accordance with the tender conditions and submitted a report dated 12th January 2016. In the said report, the scores of the bidding Consultant Evaluation Organizations whose bids were valid have been provided by the second cited Tender Evaluation Committee, and is enclosed as the annexure to these proceedings for reference. According to
